**Re: CC Docket No. 00-257: *In the Matter of 2000 Biennial Review - Review of Policies and Rules Concerning Unauthorized Changes of Consumers Long Distance Carriers.***  
**Notification of Zayo Bandwidth, LLC Pursuant to 47 C.F.R. § 64.1120(e)**

Dear Ms. Dortch:

On behalf of Zayo Bandwidth, LLC ("ZB"), pursuant to Section 64.1120(e) of the Commission's Rules, 47 C.F.R. § 64.1120(e), we hereby notify the Commission of ZB's intent to acquire the telecommunications customers of its following affiliates, through mergers of those affiliates with and into ZB: Fiberlink, LLC d/b/a Columbia Fiber Solutions ("CFS"), NTI of California, LLC ("NTIC"), Zayo Bandwidth Central, LLC ("Zayo-Central"), Zayo Bandwidth Central (Virginia), LLC ("Zayo-VA"), Zayo Bandwidth Indiana, LLC ("Zayo-IN"), Zayo Bandwidth Northeast, LLC ("Zayo-NE"), Zayo Bandwidth Northeast Sub, LLC ("Zayo-NE Sub"), Zayo Bandwidth Northwest, Inc. ("Zayo-NW") (CFS, NTIC, Zayo-Central, Zayo-VA, Zayo-IN, Zayo-NE, Zayo-NE Sub, and Zayo-NW collectively, the "ZB-Affiliates") (ZB and the ZB-Affiliates collectively, the "Parties").

Names of the Parties to the Transaction: The customer transfers are the result of multiple *pro forma* intra-corporate transactions being undertaken in order to consolidate the corporate structure of Zayo Group, LLC's ("Zayo Group") subsidiaries and to appropriately allocate assets and customers to Zayo Group's various operating units -- Zayo Bandwidth, Onvoy Voice Services, and Zayo Enterprise Networks.

As part of its effort to streamline its corporate structure, Zayo Group will merge ZB with certain of its affiliates, including the ZB-Affiliates. This merger will result in the customers of the ZB-Affiliates (except those of Zayo-NW and CFS being transferred to ZEN) becoming customers of ZB.

Types of Telecommunications Services Provided to Affected Customers: The customers affected by the merger of the ZB-Affiliates with and into ZB are large enterprise customers and other carriers. These customers receive Private Line, Ethernet, Wavelength, Dedicated Internet Access and Collocation services.

Date of the Transfer: The parties anticipate that the affected customers will become customers of ZB on or about February 4, 2010, or as soon as possible thereafter following receipt of regulatory approvals.

Certification of Compliance: Attached hereto is a certification from ZB required under Section 64.1120(e)(1) of the Commission's rules.

Copy of Notice Sent to Affected Subscribers: Notice was provided to the affected customers as a bill notation in their bills dated January 1, 2010. Immediately following completion of the *pro forma* intra-corporate mergers, all affected customers will be receiving identical service from ZB, at the same rates, terms and conditions, as they currently receive from their current provider.

The text of the bill notation provided to the affected customers of the ZB-Affiliates that will become customers of ZB as a result of the *pro forma* intra-corporate mergers follows:

On or about February 1, 2010, Zayo Group, LLC will undertake an internal corporate reorganization and consolidation. Thus, the Zayo corporate entity that will provide your telecommunications services will be Zayo Bandwidth, LLC, another wholly owned Zayo Group subsidiary. Your services and the associated pricing and terms and conditions of service will not change as a result of this intra-corporate consolidation. There is no charge associated with this change and any preferred carrier freeze you have will remain in place. You will continue to receive a bill from Zayo Bandwidth and we will continue to resolve any issues you may have with your account or service using the same customer service number: 1-866-236-2824.

We recognize that you always have a choice in telecommunications carrier and believe that this intra-corporate consolidation will enhance our ability to serve you. Zayo Bandwidth looks forward to continuing to provide you with the superior service you are accustomed to receiving and to the opportunity to provide you additional services.
